

Dear Kindergarten Families,

In Unit 3, students will compare numbers 0 to 10 following the Kindergarten Common Core standards in the domain of Counting and Cardinality:

K.CC.6	Identify whether the number of objects in one group is greater than, less than, or equal to the number of objects in another group, e.g., by using matching and counting strategies.
K.CC.7	Compare two numbers between 1 and 10 presented as written numerals.

### Unit 3 Concepts:

- Compare groups of quantities 0 to 10 that are equal to, less than, and greater than
- Compare numbers between 0 and 10 that are equal to, less than, and greater than

### Unit 3 Vocabulary:

- Groups
- Equal groups
- Greater, more
- Less, fewer
- Number line

Ask questions like these to help your child become a productive mathematical thinker:

- Are there fewer grown-ups or children living in our house?
- Show me an equal number of spoons.
- What is this number? Write a number that is greater than this number.
- Are there more apples or oranges?

equal:

greater, more:

less, fewer:

number line:

If you don't know the class's special name, ask your child's teacher.

We encourage you to talk with your child daily about what was learned in math class.

Thank you for your support!
